**ORIGINAL**

25 UNOPPOSED MOTION TO EXTEND  
DISCOVERY, MOTION AND TRIAL DATES

1 Plaintiff-Intervenors hereby move the Court for an Order to extend the deadlines to continue  
2 discovery and extend the motion and trial dates. This motion is based on the grounds that at the  
3 regularly scheduled hearing held on August 29, 2007, the Court granted, in part, Defendant's motion to  
4 conduct further discovery and extended the discovery deadlines to allow additional discovery and  
5 depositions with additional time for proper review of discovery by all parties, yet cause only minimal  
6 delays to the trial date. Plaintiff-Intervenors' counsel also informed the other parties and wishes to  
7 inform the Court of his desire to attend the Bali wedding of his brother-in-law, Samuel S. Teker, set for  
8 December 15, 2007 and, therefore, requests a trial date on or before December 4, 2007, if possible.  
9 The parties anticipate a four to five day trial.

10 The undersigned has contacted all parties in this matter and all parties are in agreement with  
11 this motion and consent to the extension of dates for future discovery and a new trial date on or about  
12 December 4, 2007, as set forth in the Agreement of Hearing Date filed herewith. The above motion is  
13 therefore unopposed and Plaintiff-Intervenors request that the Court approve said extensions.

14 *Respectfully submitted* this 10<sup>th</sup> day of September, 2007.
